Dear Year 5 Parents/Caregivers

YEAR SIX SENIOR SHIRTS

The Uniform Shop currently stocks a limited number of Senior Shirts. These shirts are a polo-style shirt with “**Seniors**” printed on the back and “**Kin Kora Year 6’s**” printed on the breast with an option to add the year “2022” embroidered on the front for an extra cost of \$4 per shirt.

The cost per shirt is \$35.00 and \$39.00 for the shirt with ‘2022’ embroidered

Due to the amount of wasted stock of embroidered shirts, which cannot be re sold the following year, we would like to inform parents and caregivers on our procedure when it comes to ordering Senior Shirts.

- Senior Shirts need to be ordered in August the year before and **payment is due when placing your order.**
- For Senior shirts chosen with embroidery, the current year is embroidered on the front of the shirt in small numbers just under “Kin Kora Year 6’s”
- The Uniform shop stocks a limited number of Plain Senior shirts, which can be purchased throughout the year, however we encourage parents to make use of the order process in August to avoid disappointment.
- Please consider your sizes carefully as unfortunately we **do not accept returns on Embroidered Senior Shirts** (For more information on our Refunds and Returns Policy, please refer to the school website.)

We highly suggest paying a visit to the Uniform shop, before placing your order, and have your child try on a Senior shirt for correct sizing. The Uniform shop is open every Tuesday morning 8:30am to 10:30am (Term time only)

Yours faithfully
